

# *Squelch*

**December 6, 2019**

**Official Publication of the Anaheim Amateur Radio Association  
An ARRL Affiliated Club**

## *This Months Program*

### *December Program*

2019 was an active year for the repeater systems that the AARA club operates and maintains. We partnered with the Veterans Administration Long Beach Amateur Radio Club (AC6VA) and VA Emergency Management to upgrade the Two Meter and 220 MHz repeaters on the VA building in Long Beach. These repeater systems have been operating at the VA location for 25+ years and with the installation of the new repeaters, we should have another 25 years of repeater operation to support amateur radio activities and emergency communications in the Long Beach and the northern Orange County area. If you haven't checked out the repeaters yet give them a try. You'll like what you hear.

We will have our Christmas dinner at the Olive Garden in Buena Park on December 17th at 7PM. The reservations are under "Dennis". Here is the address: 8386 La Palma Ave. Buena Park  
Phone: 714-220-3934

## Next Months Upcoming AARA Events

**Dec. 7:** Club Breakfast at Keno's, 8AM

**Dec. 17:** Christmas Dinner, Olive Garden

No General Meeting this month.
