

Squelch

September 3, 2020

**Official Publication of the Anaheim Amateur Radio Association
An ARRL Affiliated Club**

This Months Program

Pending Program

FYI: There is the 2020 ARRL/TAPR Virtual Digital Communications Conference on September 11-12. This conference will be about technical presentations and demonstrations on Digital networks in the VHF and UHF bands. Register at: www.tpra.org/dcc

The conference will be using the ZOOM video platform. You may also view the presentation on YOUTUBE at the conclusion of presentation. Printed copies of the conference will be available for sale at: www.lulu.com

Stay Safe,

Dennis
